## Overview

Country Living! Come see this charming home that sits on 3 beautiful acres in Bush! The home features 4 bedrooms and 2 bathrooms, a large screened in back patio great for entertaining, and a 23x28 carport. The majority of the home has been recently painted, and new waterproof vinyl plank floors were installed in the primary bedroom and bath. The primary bathroom had a total remodel and the hall bathroom was updated. In the last 5 years new windows and new vinyl siding were installed. In addition, there is a large garage with another storage space on the side AND a guest house measuring 34.5 x 16. Numerous fruit trees are on this picturesque property - including blueberry, blackberry, apple, plum, orange, and satsuma!
