Overview

Extremely well maintained and tastefully renovated townhome within walking distance to the heart of downtown Suwanee! This home boasts gleaming hardwoods, beautiful granite countertops and newer S/S appliances in the kitchen. Upstairs you'll find the laundry room along with two generously sized bedrooms and their own en suite bathrooms. The primary bedroom also features a soaking tub, updated tiled shower, double vanity and his/her closets. The two car garage enters into the lower level room that can be used as a gym, office, 2nd family room, or even bedroom if needed as the 3rd full bathroom is also found on this level. Enjoy the awesome playground, pool, tennis, and pickleball right around the corner!
