Overview

Situated in the gated Smoky Mtn Retreat at Eagles Nest, this exceptional hand-hewn authentic log home is currently configured as a 7-bedroom, 4.5-bath residence (4-bedroom septic permit). In pristine condition, the home features a circle driveway, an impressive porte-cochre, and a welcoming covered front porch. Inside, you'll be greeted by breathtaking short and long range mountain views, a spacious great room, and a stunning floor-to-ceiling native stone fireplace. The main floor includes granite top kitchen w/ spacious bar, SS appliances, and ample cabinetry, a spacious dining area which seats 8, a guest room or office, and a huge primary suite w/ stone fireplace, french doors to covered porch, and double vanity bath w/ tile shower and separate soaking tub to enjoy Mtn views from. Upstairs includes a den/library, huge guest suite w/ high end bath, and two additional guest rooms w jack and jill bath. Lower level boasts huge family room w/FP, a rec room, Bath, and 2BR's. House is being sold turn key.
