## Overview

Discover the charm of this inviting single-story home with 4 bedrooms and 2 bathrooms, designed for modern living. The open floorplan creates a seamless flow between the living, dining, and kitchen areas, making it ideal for both everyday life and entertaining. The kitchen stands out with its island, convenient pantry, and stylish stainless steel appliances. Each of the spacious bedrooms offers comfort and versatility. Step outside to the covered back patio, perfect for enjoying your morning coffee or evening gatherings, and take advantage of the fenced yard for added privacy and play. This home effortlessly combines practical features with cozy elegance, offering a perfect retreat.
