Overview

Situated in the highly desirable Indian Wells Village, this 1960's home has been completely remodeled, it was taken down to one wall and then rebuilt! You now have a modern, gorgeous 3 bedroom, 3 bath home that could be your primary home or weekend get-away. Since the major remodel in 2011, the current owner has made many improvements. Within the last few years, there is new flooring throught the home except in the attached guest house/room. You have 4 new ceiling fans, new window coverings with some of them being blackout shades. The interior was painted within the last few years and there are new front windows and new windows above the slider in the dining area. The kitchen has a new island, cabinets, quartz counters, refrigerator, microwave and cook top hood. The front landscaping was updated and a new solar system was installed in 2023, you own it...it's not leased. There are 2 remote controled Nest thermostats that control you newer AC units. The home is just minutes away from the Indian Wells Tennis Garden, home of the BNP Paribas Open and the Coachella Music Festival and Stagecoach. Buyer to verify total sq. ft. and permits with the City of Palm Desert. Come take a look at this amazing home in Indian Wells and start living the lifestyle that only Indian Wells can offer.
