Overview

Incredible golf course location! Charming 3 bedroom, 2.5 bath Galena Territory retreat fronting on and looking over #11 of Eagle Ridge South Golf Course and offering incredible golf views and gorgeous vistas of the treed ridges beyond. Bright main level houses open and airy living room with wood clad cathedral ceilings, woodburning fireplace with stone surround and direct access to rear deck overlooking the manicured scenery, generous dining area with ample room to entertain and access to generous screened porch, large kitchen with lots of cabinetry, granite counters, and eat-at breakfast bar, conveniently located powder room, laundry/utility closet with stack washer/dryer, and spacious primary bedroom with more cathedral ceilings, its own access to the screened porch, and adjoining private bath that houses granite-topped double vanity, whirlpool tub with skylight above, and separate shower. Head to the upper level to find a landing loft with alcove perfect for a desk, two comfortable guest bedrooms with cathedral ceilings and beautiful elevated views, and nicely appointed full bath. Enjoy the outdoors and take in the picturesque setting from the aforementioned rear deck or screened porch that flow to ample yard space with landscaped highlights surround the home. Location is just a short drive to Galena Territory amenities including Lake

Galena with new Marina and Owners' Club with indoor/outdoor pools, fitness facility, game room, and multi-sport gymnasium, plus the golf, spa and dining of Eagle Ridge Resort and Spa. Sold furnished with some exclusions and to be transferred via separate bill of sale.
