Overview

Nestled on 57.4 picturesque acres, this stunning 2-story log home with private river frontage is a nature lover's dream, offering endless outdoor opportunities and plenty of rustic charm. The home features warm, inviting log interior with spacious living areas perfect for cozy family gatherings. A unique element is the outdoor teepee, ideal for gatherings, glamping, or simply enjoying the peace of nature. The detached 3-car garage provides ample storage space for vehicles, equipment, or a workshop. This property is fully furnished - what you see is what you get. See also the list of additional items included in the sale.
