Overview

Uncover the charm and endless possibilities with this delightful 3-bedroom, 1.5-bathroom home, positioned serenely by a lake and moments away from the majestic Hudson River. Boasting 1992 sq ft of interior space, the top floor of 1152 sq ft, offers a stunning new kitchen, quartz countertops, nice appliances, a modern-designed bathroom and 1/2 bath, vinyl floors, recessed lighting, and 3 bedrooms. Lower-level features about 840 sq ft, in the finished basement with a big family room, laundry room, and spacious garage. Large yard in the back of the house, facing the lake.
