## Overview

Don't miss this superb property with captivating views of the Penn National Founders course located strategically with vistas of the 4th green and 5th tee. The property boasts a spacious first-floor primary suite alongside 2 upper-level bedrooms, complemented by a bonus room over the garage - perfect for a home office, game room, or fourth bedroom. Hardwood floors line the main living space with an elegant ceramic tile design in the foyer. The home is equipped with a newer tankless hot water heater and an efficient gas heat/AC system. The roof is less than a decade old, ensuring effective sheltering. The kitchen stands out with its comfortable breakfast bar and pristine granite countertops complemented by ample cabinet space for your culinary needs. Imagine sipping on your morning coffee in the lovely four-season room or hosting a barbeque on the extensive ground-level deck. Pre-listing home inspection has been completed with items repaired. Don't delay, make this comfortable and attractive residence your home today!
