## Overview

Situated on the main strip, in the booming town of Taylor are 4 lots zoned B1 commercial. 2 lots are currently vacant, and 2 have existing buildings. If you've ever dreamed of owning a piece of history, now is your chance. 1022 N Main is currently Taylor's A-Line Auto Part Shop. Built in 1960, this 4,000 sqft building on a 0.2 acre corner lot is the prime location for the next big business. Imagine taking over the current lease for A-Line Auto Parts (in place until September 2024) or breaking ground on something brand new. 1018 N Main is another staple in Taylor; built in 1940, this auto repair shop, known for the elephant on its rooftop, is 960 sq ft, on 0.20 acres with a bathroom, office, and storage room, surrounded by a structure that holds tons of a treasure trove of history. 1000 N Main and 1010 N Main are both vacant lots, both sitting on .20 acres with the potential for several uses. These properties are in the heart of downtown Taylor and minutes to the Taylor Regional Park and Sports Complex, 10 minutes to the new Samsung campus. Don't miss the opportunity to own a piece of property in the rising city of Taylor. Please check with the city of Taylor on all information. Buyer is responsible for verifying all information.
