Overview

Excellent Location! Super cute neighborhood, massive parcel, huge house! What more do you want? This 2 bed, 2 bath, 2, 122 square foot home has lots of extras! Open floor plan, sunroom, 3 car garage with an additional detached RV Garage. Backup generac generator, solar, horse corrals, massive front yard and back yard. Place could use some light fixing but has excellent bones! It is located in an HOA where short term rentals are not allowed. This opportunity to buy a prime piece of Yucca Valley real estate is too good to pass on! Located only 7 minutes north of downtown Yucca Valley and only a 15-20 min drive to the Joshua Tree National Park. Pictures do no justice!
