Overview

This 52 acre 2022 custom built Estate may showcase the most superior 180 degree views that the Joshua Tree, Yucca Valley JT National park area has ever seen! Located close the JT National Park Black Rock entrance you will enter through a private security gate onto a 1000ft driveway that takes you down to this ultimate privacy and unrivaled views incredible custom home and property! This custom built solar home was designed to keep these one of kind views in your line of sight from just about everywhere in the main house and detached art/ guest house. The back of this home is open to these views as far as you can see, and you will own all that land in front of you with no neighbors making the privacy truly magical and rare. When you enter the main home you will be greeted by 12 foot ceilings, and exposed concrete aggregate sealed floors. Gourmet kitchen features luxury sub zero and kitchen aid appliances and island and separate coffee bar to mention a few upgrades! Thirsty? Walk into to the 756 bottle refrigerated wine room. Enjoy that glass of wine with glass pocket doors open and hidden to the fresh air and patio for entertaining, This fully owned solar smart home also has a detached art studio/guest house and the 4 car garage is over 1200 sq ft! The possibilities are endless here on 54 acres with walking trails room for a pool, horses, a yoga or

large events venue?? Owners recently hosted a 150ppl wedding! Vacation rental income could be sky high.
Hurry on this one!
