## Overview

Peace and tranquility awaits you! The possibilities are endless with this private and wooded 5 acre parcel located in Myakka City. Enjoy this quiet and friendly rural community to build your custom home or cottage homestead in the country. The property boasts a pole barn on a 20x40 concrete slab, ready for your tractor and your toys so you can take full advantage of your acreage. You even have access to a pretty little tributary of the Myakka River and a small, horseshoe shaped pond. Property is near Lakewood Ranch for shopping and dining and also in close proximity to Myakka State Park.
