Overview

Dreaming of your own rural piece of paradise? This beautiful 4 bedroom, 3 bath home features an open and spacious floor plan with not one, but TWO master suites! You will love hosting the family gatherings here, with plenty of space to take your entertainment indoors or outside. Enter the home through the beautiful airy foyer that acts as a partition between the larger master bedroom and the rest of the house. The generously-sized living room is accented by a beautiful fireplace and space for a large sectional. The family room is located at the other end of the house with two bedrooms and the hall bath off the back. Situated centrally off the family room, you'll find the second master suite with a beautiful view of the front yard. Outside you will find well maintained landscaping, a large paved parking area, and an oversized 2 car garage with a large chicken run tucked behind it. On the North/East corner of the property is a large garden ready for you to continue reaping the harvest. There is also a storm shelter in the back providing extra peace of mind. Ready to fall in love with your new home? Come check it out! Any and all buyer requests will be entertained, so put them in your offer and we will bring them to our sellers!
