Overview

You'll love this home! When you walk into this home you walk into the first living room. The Primary bedroom with a nice size walk in closet and on suit is at the back of the home right off the first living room. The kitchen comes with brand new appliances. Plenty of counter space, including an island in the middle. It also has room for a dining room table. Off of the kitchen is the laundry room big enough for added storage space. 3 guest rooms and a full bathroom are right off of the second living room at the front of the home. This home sits on a beautiful lot with a storage shed for all your outside needs. Call today to schedule a tour!!
