## Overview

At the end of a long driveway is a spectacular setting...A remodeled 3 Br, 3 BA private and quiet oasis. The enlarged primary BR is on the 1st level and the bath is pure lux. Upstairs are 2 BRs and an Office. This room could be an additional BR? High ceilings and dramatic glass walls bring the outside in. New AC, roof, windows, recessed lighting, wood like flooring, a fab white kitchen and whole house fan. Baths remodeled with quality and taste. Outside on the 31, 645 sqft lot, bordered by a designated green belt that cannot be developed is a pool, spa, your very own putting green, Fruit Trees, BBQ seating for 6 and very generous patios that surround the home. Access to Sunset Hills CC with your golf cart. Call me to SEE.
