Overview

Move in and you may never want to leave the park-like tranquility this amazing home provides. This Paw Paw retreat has it all. 3 bedrooms, 2 full baths and 3 fireplaces offer comfort and convenience when indoors. Natural light flows easily from the attached greenhouse, which offers a spiral staircase to the lower level. Relax in the indoor hot tub off the back of the garage, or in the in-ground swimming pool in the back yard. The home sits on a large-double lot and features a beautiful stick-built pole barn with plenty of space for tools and toys. The barn also offers an insulated loft and additional storage space in the attic. The front yard is a peaceful oasis, with a waterfall, 2 ponds and an abundance of trees and flowers. Close to breweries, restaurants and shops!
