Overview

Nestled in the picturesque Holiday Lake Estates, this charming home offers the epitome of country living. Situated amidst five serene lakes ideal for fishing and recreation, each lake boasting its own park for residents to enjoy. Built in 2018 in front of the original structure, most of which has been removed, this cozy home awaits your personal finishing touches to truly make it shine. Embrace the tranquility of country living in this inviting property. Don't miss the opportunity to experience the peaceful lifestyle this home has to offer.
