Overview

Appealing, updated, and well-maintained 3 bedroom, 1.5 bathroom home tucked away on Streator's southwest side. The moment you approach the property, the feeling of home is present. That feeling persists as you enter the home and are welcomed by a sunroom brightened by a multitude of windows. You then enter the elegant dining room showcasing hardwood floors and an open staircase. Attached to the dining room is the spacious living room featuring large windows and hardwood flooring. The roomy updated kitchen includes appealing cabinetry, stainless steel appliances, table space, and a walk-in pantry. Finishing off the main level is a full bathroom and mudroom. Using the open staircase, you make your way to the 2nd floor which features 3 spacious bedrooms, all with ample closet space, as well as a 1/2 bathroom. The full basement has laundry hook-ups, shelving, and ample storage space. Outside you can truly enjoy the outdoors with the fenced backyard complete with a large shade cover. Other exterior highlights include a pass-through driveway, 2 car carport, and a storage shed. Now to the many recent updates to the home. Recent interior updates include the kitchen and appliances, paint, refinished hardwood floors, and new flooring. Mechanical updates include electrical, furnace, and water heater. Exterior updates include the roof, siding, brick tuck-pointed, and the foundation skim-coated within the past 2 years. The home also

showcases vinyl windows and the interior foundation was just finished with waterproof sealer. This home is definitely one you want to see for yourself!
