Overview

Amazing Location in a highly sought after subdivision with beautiful amenities. Renovation In Progress. This is the unit you've been waiting for. You get the best of both worlds. Renovation has just begun, however you have the opportunity to choose some of the renovation options if you act fast! You could get to decide your paint color, The choice to choose between a couple different floor options. GREAT LAYOUT! On the main level you also have a sun porch room. 2 Bedrooms located on the upper level. Location close to a lot of shopping options, restaurants, and great schools. Swimming Pool. Close proximity to Whole Foods, Krogers, and a host of other stores. Ask Listing Agent how to receive closing costs! Lastly, if youad like to purchase this home AS IS, we can tell you about a special type of loan you can possibly apply for and complete the renovation yourself! Call us for more information.
