Overview

Welcome to this two-bedroom, two-bathroom home newly renovated both inside and out. The gorgeous exterior is comprised of new beautiful board and batten siding, a new roof and new Marvin windows. The rear of the home includes a privacy fence and patio area ideal for entertaining or relaxing. Upon entry, you will be instantly impressed with the spacious floorplan and abundance of natural light throughout. The entryway offers the convenience of a built-in seating area with room for storage underneath. Stunning kitchen complete with gorgeous new countertops, cabinets, tile backsplash and stainless-steel appliances. All new first floor bathroom with new shower, new tile flooring and vanity. One generously sized bedroom completes the first floor. Head upstairs where you will find the second bedroom with built-in shelving and an armoire for storage. Beautiful sliding barn door adds to the charm of this home. Also upstairs, the second bathroom has been fully renovated with new tile flooring, vanity, fixtures and shower. The basement of this home offers a lovely laundry area with a sealed floor and new washer and dryer. Additionally, this home is fully equipped with a new central air conditioning system, recessed lighting throughout, camera system, a newer on-demand gas tankless water heater, spray foam insulation and municipal water and sewer.

Conveniently located to the Poughkeepsie train station, Route 9, dining, shopping and medical facilities.
