Overview

Come check out this property ready for the taking! With a great front and back yard your options of what you can do to the property are endless. The two-car garage sits right next to an open driveway with plenty of parking also. A small front porch sits right outside the front door to enjoy your coffee or just get some fresh air. As soon as you walk in there is a small room to put your shoes and hang your jackets. Following that is a good-sized laundry room sitting next to a large wide-open kitchen with plenty of counter space and a small island in the center. Next is the good-sized dining area and sitting area with a fireplace to keep things toasty in the winter. With an extra room for relaxing, three bedrooms, and two bathrooms you can't go wrong here!
