Overview

A distinctive ranch-style house featuring 1 bedroom and 1.5 bathrooms upstairs, and 3 bedrooms, 2 bathrooms, and a game room (1051 sqft) in the basement. The spacious living room boasts a fireplace, the kitchen includes an island and ample storage, and there is a 14 x 24' workshop along with a storage building. Additionally, an outdoor metal cellar door provides extra access under the covered patio to the basement. Located just one block away are a public park, tennis courts, and baseball fields.
