Overview

Check out this cute home near downtown Shawnee. Great neighborhood/area. The hardwood floors look fantastic in the family room, hallway and 2 bedrooms. The kitchen was updated with custom cabinets. There is a 3rd bedroom off back/kitchen gives a little privacy from the rest of the home. Notice there is a door on the floor to a suspended basement. Probably not finishable, but it adds extra storage. Double wide driveway with more space next to the garage is a rare find. The lot is flat and the backyard has a covered patio area to enjoy your evenings. Notice the rubber shed in back that is in excellent shape. Close to shopping, restaurants and minutes away from downtown or old Overland Park.
