Overview

Designed for modern living, this stunning zero entry, 5 bedroom, 3-1/2 bath home combines modern comfort with timeless elegance. Cathedral ceilings soar above an open floor plan, creating a sense of spaciousness. Enjoy the great room complete with a fireplace and windows flowing with natural light. The heart of the home is the gourmet kitchen, featuring hard surfaced counters, walk-in pantry, breakfast bar, commercial stove/oven and warming drawer for culinary enthusiasts. Whether preparing everyday meals or hosting gourmet dinners, this kitchen is equipped to impress. Main level laundry with a drop zone and utility sink, making chores a breeze. Notice the gorgeous crown molding throughout the home and the cozy 4 season room situated between the kitchen and master bedroom and the heated master bath floors. The finished basement is equipped with 2 bedrooms, full bath with 2 separate sinks, and a huge rec room with a walk-out basement. Outside, a lawn irrigation system ensures your yard stays lush and green with minimal effort, while a covered front porch and rear patio provide perfect spots for relaxing or entertaining. 3 car heated garage, generator, and fenced yard complete this gorgeous home.
