## Overview

This trendy tiny home apartment is just what the avid fisherman ordered. Pull your boat or boats into the garage and shut the doors. Garage area is heated and cooled and ready for you to stage your boats in comfort. When your finished just step inside your tiny lake house that offers a full size bathroom and bedroom with kitchen/living area. Up the stairs you go to the loft bunk room complete with twin beds and night table. Laundry is in the garage. The property offers a dock and pole barn and new septic system all inside a 6ft chain link fence open on the water side. There is so much potential in the property. Live in the tiny home and build your dream home or make it a vacation rental. Call your favorite realtor today and schedule your showing.
