## Overview

Once you pull through the incredible arched gatehouse of Waterview Estates you will find soon after all the neighborhood amenities such as the pickle ball courts, tennis court, two basketball courts, soccer/football area, community bonfire area, and miles of hand carved nature walking trails! The home backs up to a large green space area that offers a unique sense of privacy blocking any neighbors behind you. The lots also offers a sense of ample space with its 150' of road frontage. The home itself boast natural light with the tall ceilings and large windows. Every room designed to feel spacious, every bedroom to have its own walk in closet and private bathroom as well! All finishes that have not already been installed can be customized by the buyer unless already ordered! Large amount of unfinished space that can be finished out as well adding additional rooms to the home!
