Overview

Experience the tranquility of a quiet residential street, yet just a short stroll to downtown shops and restaurants. Available for the first time on the market, this elegant English Tudor is a standout amongst the coveted Stonehedge neighborhood. Boasting a 40 foot chimney and extraordinary architecture, this spacious home has all you could ever want and more! Featuring a newly renovated kitchen, hardwood floors, and generous rooms with tall ceilings, the focus of this home has always been comfortable living. The main floor features an oversized family room with fireplace, in addition to a separate living room and a small den. The dining room has a beautiful built in hutch and will graciously welcome your dinner party guests. Four generous bedrooms, including a primary with en-suite bathroom, are located on the second level. The outside is equally as impressive with an in-ground pool and level yard for enjoying the warmer months. Not to be overlooked are the distant mountain views which will showcase the famous Vermont foliage in the fall! An attached two car garage, paved driveway and ample parking are a few more reasons to fall in love with this home. Located on a dead-end street within blocks of the local hospital, easy access to walking trails and the center of town, you really can enjoy the best of both worlds!
