## Overview

Exquisite 2 story home located on a quiet dead end street in Barrington. Home features stone and hardyboard construction , covered front porch with outdoor TV area and fan giving a fabulous curb appeal! Step inside and prepare to be amazed by the curved stone and iron staircase, gleaming hardwood floors, decorative fireplace and French doors leading to the covered slate tile patio! You will enjoy cooking in this updated high end kitchen! The kitchen features quartzite and granite counters with a 6 seat island, Wolff stove, Bosch dishwasher, subzero refrigerator, marble backsplash and walk in pantry! Right off the kitchen is a 2 story family room with a cozy wall fireplace and access to the large tiled patio and lush yard! Convenient main floor laundry and bedroom with full bath! On the second floor you will find 2 additional bedroom and a huge Main bedroom with extra large sitting room, dual sided fireplace, en suite bath with high end fixtures, soaker tub, walk in closet and rain shower! Take a walk down the catwalk to the 21X19 Bonus room with vaulted ceilings! The basement is partially finished and also features 2 walk in closets, large storage room and crawl space! enjoy your backyard oasis with the porcelain tile patio, mature trees and playhouse with electric! This home is in a prime location, close to schools, train, shopping, restaurants and downtown Barrington! Welcome Home!
