Overview

Breathtaking panoramic water views both inside and out. A wall of windows and a large exclusive-use deck overlooking the Moors offer spectacular views of the moors, dunes, and bay beyond. Watch beautiful sunsets, passing sailboats, and seasonal changes from both your deck and your own generously sized living area. This well-kept one-bedroom property has wood and tile floors throughout, updated stainless steel appliances, lovely kitchen cabinets with granite countertops, a tiled bath with walk-in shower, an amply-sized bedroom, and in-unit washer and dryer. Just up the road from Herring Cove Beach, dining and the center of town are also just a short distance from this convenient West End location. With almost 750 square feet of living space, this would be an excellent year-round home or a great vacation getaway. Additional features include split system AC and heat, assigned parking for one car, pets for owners, exclusive storage shed adjacent to unit, professional property management, and a low monthly association fee of \$285. Rentals 28 days or more. Connected to the town sewer and betterment paid in full. Seller welcomes offers with requests for buyer incentives.
