Overview

Darling brick bungalow in the Crestwood neighborhood of Glendale. Enjoy morning coffee on the back deck, tons of green space with an extra large lot, original charm and HWFs and much more. Main level features living room with beautiful crown moulding open to formal dining with BICC, kitchen ('08), a bedroom/office and powder room. Upper level features 2 bedrooms, great closet space and a full bathroom with new bathtub. Lower level will have all new drain tile by Gadish at the end of September. Don't miss the extra large garage ('14). Furnace and A/C replaced in 2019. Crestwood is one of two neighborhoods in Glendale with sidewalks, and it has it's own playground. Close to the interurban bike trail. You decide if you want the primary bedroom on the main level, or upstairs!
