Overview

Back on the market due to no fault of the Seller-Buyer was not able to get their home sold in time so their loss is your gain with this motivated Seller! You must see the spacious 3500 sq ft Colonial home on approx. 1/2 acre lot on a cul-de-sac in the neighborhood of Oak Hill Estates. The home is conveniently located between Gene Field, Leonard and Frederick with close proximity to Mosaic, MWSU and I-29. This home features a large primary suite along with 3 additional bedrooms, a full bath as well as the laundry room upstairs. On the main level, the home boasts an oversized family room with a fireplace open to the kitchen and dining room with tons of natural light on the East side of the home. The main level also has a formal living room, guest bathroom, barn doors to a secluded office space, den or additional bedroom and the 2 car garage just off the kitchen. The kitchen is equipped with all 2 year old stainless steel appliances with upgraded features including air fry oven and filtered water pitcher/ice maker. The finished lower level features several rooms including a large recreational space with a fireplace and walkout door. The lower level also features a full bath.
