Overview

This 3 bedroom, 1 bath unit has only had 2 owners in 35 years and both have treated it well. 1993 International 35' camper with addition. So many options within the unit itself. You could use it just like it is or take the small bedroom and turn into a fabulous closet with Laundry, office or a den. New A/C in camper, new refrigerator, new flooring in the kitchen, brand new queen mattress in the primary bedroom, new couch and all furnishing in unit are to remain. Lots of storage in camper. Sit and enjoy the front porch and wave to folks as they go by. Great location within the park. Away from the action but a 2 minute golf cart ride to get to the action. Storage building with power. Covered area for your golf cart. Retaining wall and propane heater are 4 years old. Come and see if this is your Happy Place. Clients must be with a realtor to gain entry to the park.
