Overview

11.6 +/- Level acres. This vacant residential land would be a great development opportunity with plenty of paved road frontage and multiple building sites or you can build your own dream home or mini farm. The property is gated, fenced and has a pond, also included is a 24 x 30 steel building with 6 stalls and a 10 x 12 storage shed so bring your animals. Enjoy quite peaceful rural living while only minutes from town. Water, electricity, and internet available at the road.
