## Overview

This is your sign that it's time to move to the country! Offering 3.73 acres, 16x 28 yard building, green house with power and water AND a 4 bedroom home!! Enjoy your coffee as the sun rises on the covered porch in privacy and serenity. With so much space and additional buildings, there are so many options to make this your own retreat! Spacious home delights with a living room and family room, both large enough to host the whole family. Generously sized kitchen features an island with breakfast bar, farmhouse sink and modern elements throughout. There is a pantry for additional storage, but not to worry, the kitchen has ample countertop and cabinets. The formal dining room is located off the kitchen and living room making entertaining a breeze. Master bedroom is situated on one side of the home and boasts a large walk-in closet and en suite with garden tub, double vanities and walk-in shower. Three additional bedrooms and a guest bath are perfect for family and guests alike. Currently also used as the mudroom, the laundry room is a space that will make you dislike laundry chores just a little less! Come see how you can make your country living dreams come true on this beautiful property!
