Overview

Looking for that special get way to call home? This might be it. Elegant yet in the country. Beautiful views from every window. Floor Plan allows for easy entertainment and use of open space. Both bedrooms are generous size. Owners suite opens to outside patio. Kitchen recently redo. Has counter breakfast bar. Large living space opens to Patio space that shows off the mountains and has a feel of grandeur. All colors a light and neutral, designed touch. Garage is 2.5 car space. Room for a shop or small art space. Community includes gated entry and community pool. Great for golfers. Golf course has been redone and is almost ready to open.
