Overview

This is it! Your waterfront home on Badin Lake is a stunning retreat, boosting year-round views located in a deep cove near the main channel. The exterior includes a charming gazebo perfect for relaxing and enjoying the peaceful surroundings. A boathouse and covered boat lift makes it easy to access the water, while stationary and floating docks offer plenty of space for water activities. Below the home offers a welcoming covered porch for more outside entertaining as well as a large crawl space roomy enough for a workshop or to house your lake toys. The interior is equally impressive with a newly updated kitchen. This kitchen is a chef's delight including ZLINE top of the line commercial grade double ovens and gas stove. The kitchen has gorgeous marble counter tops and kitchen island. There is a new large white farmhouse sink, beautiful vent hood plus a pot filler. Another highlight is a spacious screened in porch, providing the perfect spot for dining or just taking in the views.
