Overview

Take a look at this beautiful, brick home that offers 3 bedrooms, 2 baths, 1662 sq ft in a great neighborhood! Living room has laminate flooring, corner fireplace, tall ceilings. Kitchen has granite counter tops, stained cabinets, stainless steel appliances, breakfast bar, refrigerator stays. The spacious master bedroom is separate, master bathroom has 2 sinks, separate shower and tub, walk in closet. The other 2 bedrooms are generously sized, too. Fully fenced backyard with deck. Solar panels have been added to help on the electric bills. Qualifies for RD!
