## Overview

WOW! TWO HOMES ON OVER 5 ACRES! You have got to see this nearly level, all usable 5+ acre property in lower Pioneer. The main house is 1,536 square feet with an open living area, freshly painted kitchen cabinets, granite countertops, walk in pantry and large island overlooking the living room. Real Acacia hardwood flooring, two full bathrooms, two bedrooms, and an extra room for an office or childrens living quarters, and indoor laundry room. It also has a Whole House Fan system. Lots of wonderful outdoor decking for entertaining or just hanging out with a cup of coffee. The Guest Cottage is 850 square feet with 1 large bedroom, living and kitchen area and bathroom. It also has a large laundry/storage area plus access to the 1 car garage. There are several outbuildings, a chicken coop, enclosed vegetable garden, several fire pit areas and firewood storage. Oh, and don't forget about the above ground swimming pool! This would make a fabulous horse property! Partially fenced and plenty of room for parking and your RV. DON'T FORGET TO COME BACK FOR ADDITIONAL PICTURES COMING IN A FEW DAYS or give me a call if you would like to see it in person!
