Overview

This 28 acre wooded tract located between Linden and Jefferson is a rare find with a two bed/ two bath hunting cabin, electricity, and water well. The property features trails and multiple openings that have previously been used for hunting and maintaining the property. The acreage is ready to be enjoyed immediately for hunting and recreational use and would also be an exceptional place for your future home site. Additional 4.584 acres adjoining the property on the SE corner will convey to buyers at closing.
