## Overview

PRIME Metamora Location!!! This updated 3 Bedroom 1 Bath home has been fully renovated in 2024. It is located on a spacious 0.63-acre lot with mature trees and expansive grassy areas. The property offers ample space to play, host bonfires, and potential building opportunities on the level ground areas. Natural Gas and A/C, the exterior boasts a newer roof, windows, pristine vinyl siding, a fresh driveway with a backup pad, new shutters, a patio stone walkway, and well-maintained landscaping. A solid wood ramp leads to the back door, laundry room, and furnace area, all in excellent condition. Inside, the living room and master bedroom feature beautiful hardwood floors, while the other two bedrooms have new carpet. The main living area has an open layout with a striking board and batten accent wall. The custom-designed kitchen is equipped with stainless steel appliances (the stove, microwave, dishwasher, and water softener are all brand new), all new cabinets, pantry storage, a tiled backsplash, updated lighting and fan, and tile flooring. The bathroom has been fully renovated with a large cabinet, double sinks, tub, toilet, tile, lighting, and a shiplap wall. With new paint, lighting, doors, moldings, and various updates throughout the house, this home is immaculately clean and ready for you to move in. Just a short distance to the lovely downtown area of Metamora Village with White Horse Inn, General Store, coffee shops, antique store and more!
