## Overview

Welcome to your dream retreat! Nestled on 14 acres of serene countryside, this 2,300 square foot brick home offers the perfect blend of luxury, privacy, and functionality. Located across the street from the picturesque Blackwater State Forest in Baker, this property is an oasis for nature lovers, horse enthusiasts, and those seeking a peaceful lifestyle. The home features four spacious bedrooms and three and a half bathrooms, providing ample space for family and guests. As you step inside, you'll be greeted by a grand living area with soaring 22-foot vaulted ceilings, complemented by a stunning masonry wood-burning fireplace that reaches all the way to the ceiling. The engineered hardwood floors add warmth and elegance throughout, while the built-in surround sound system enhances your entertainment experience. French doors lead you from the living area to a covered patio, perfect for enjoying your morning coffee while taking in the beauty of the surrounding nature. The property is a wildlife haven, with frequent sightings of deer, ducks, and birds right in your backyard. The master suite is a true retreat, featuring a tray ceiling with soft rope lighting for a touch of ambiance. The luxurious master bath includes a jetted garden tub, a separate walk-in tiled shower with a bench, and luxurious heated floors. Equipped with a generator, this home

ensures you're always prepared. The attached two-car garage offers convenience, while the extensive outdoor facilities make this property truly unique. The large metal barn is ready for your RV with hookups in place, and the horse stable is a dream for equestrians, complete with four stalls, a tack room with water and electricity, and a loft capable of holding over 300 bales of hay. The adjacent fertilized horse pasture is perfect for your horses to graze. With approximately 10 acres cleared and ready for use, this property provides endless possibilities. Whether you're looking to explore the nearby forest, tend to you
