Overview

Attention Cash Buyers! Are you seeking your next fixer-upper or dreaming of building your own home? This 18th Century Antique Farmhouse could be the perfect fit for you. Situated on a corner lot with 4.5 acres of land, it features a barn and a pond. The property boasts post and beam construction, shaker shingles, a detached 3-stall barn, enclosed porch, walk-up attic, wood floors, tin ceiling in the kitchen, some newer Anderson windows, and a newer septic system and artecian well. Please note that the property is being sold in AS IS conditions.
