Overview

Seller may consider buyer concessions if made in an offer. Come fall in love with this custom-built three bedroom two bath home on 2.5 acres. Large open floor plan design perfect for large family gatherings or entertaining. There's a kitchen with a gas cooktop and a large island that would surely impress any cook. Outside there's a resort style pool with stone knee walls and water features overlooking a large backyard with many varieties of fruit trees. Three large barns a detached 30x30 2 car garage with built in work benches, a half bath, a second finished floor that's currently used as a craft room both upstairs and downstairs are insulated and air conditioned. The second barn is a 60x30 enclosed metal building with spray foam insulation, 3 12ft roll up doors and a 20x30 inclosed room that's air conditioned. The third building is a 50x25 metal building with 2 rollup doors and lofted storage.
