Overview

DO NOT MISS OUT on this GORGEOUS professionally renovated and Expansive 3-4 bedroom / 2 bathroom ranch home on a quarter of an acre with views that will amaze! The home has been measured at 2400 sq. feet by the insurance company - have your buyer confirm if important. The open floorplan gives so many options to add more bedrooms or a private office or home business! Every upgrade is done to perfection including new flooring - fabulous kitchen and TWO living rooms- HVAC. The 2 car - carport is tall enough for RV parking and a 8' X 30' work shop and 30' X11' storage area for do-it yourselfersworkshop off of the carport is well designed and has electricity. Low care back yard and beautifully manicured front yard plus side yards with raised beds for gardening add to the charm of this beauty! Look no further for your dream house in Bisbee. Lovely, large ranch style home close to shopping and public transportation. Huge 600sf addition was used as an art gallery, but has so many possibilities; art studio, bed and breakfast, mother in law apartment, and/or a general hobby shop work area. Behind the workshop is a huge broadleaf tree that provides an abundance of shade for a good portion of the southwest side of the addition. The backyard is fully enclosed for your critters and includes the element of privacy (bamboo) fencing. This house has been fully painted both outside and inside with new fascia boards and so many upgrades including Sewer lines that were

inspected in 2022 and repairs were made by professional company. The interior of the home has been complimented with new: flooring, ceiling fans, refrigerator, dishwasher, sink, butcher block countertops, toilets, bathroom sinks and cabinets, and upgraded window shutters. Only 3.5 miles (6 minutes) drive to Old Bisbee. Post Office, library annex. senior center, and medical center minutes away, and the school bus stop is close by. Views of Mexico to the south and Mule Mountains to the north. This home is a MUST SEE! FHA ready too! Welcome Home!!
