Overview

Stunning side-by-side condo featuring a 1st floor master suite with vaulted ceilings creating a sense of openness and elegance. The spacious living room also features soaring vaulted ceilings, enhancing the bright, airy feel. The gorgeous, remodeled kitchen per seller with Quartz counters is perfect for entertaining, while upstairs includes an extra bedroom, full bathroom and a versatile loft which is currently used as an office space. A finished walk-out basement provides even more living space. Nestled in a peaceful community, with walking trails, this home is truly a GEM!
