Overview

Beautiful Dover Bay home on a very private 3+ acre lot. So much space that the possibilities are endless. Kitchen, primary bedroom and bathroom have been remodeled. Add to that a detached 2 car garage with a separate work space and bonusroom upstairs. With heat, water and electricity it would be a perfect man cave, ladies lounge or granny grotto. Garage floorings have been epoxy coated for grip and easy clean up. Must be seen to be fully appreciated.
