Overview

This charming 2 bedroom 1 bathroom home nestled on a corner lot just outside of city limits is ready for YOU! This beautiful home(original wood floors) located at 525 Hickory Grove Center is move in ready or a clean slate to make your own improvement and decorating style to fit your taste. Located directly north of Highway 104, 525 Hickory Grove Center offers country living with the convenience of the City right around the corner! This home, located on a corner lot(approximately 1/2 acre) and surrounded by mature trees provides the beauty and comfort for relaxing or entertain friends and family with the large yard and patio in the back. Enjoy the sunrise and sunsets on the three season porch with windows to the east and west! This home is further enhanced with the connected 2 car garage. 525 Hickory Grove can be a great starter home or it also offers the opportunity to expand the living space with a full basement and attic space. Roof replaced in 2004, basement foundation work completed in 2017 with a lifetime warranty guarantee. New water heater in May of 2024. Appliances convey(stove, refrigerator, and dishwasher). Pool table and exercise equipment in basement convey.
