Overview

This expansive 9.87-acre parcel of land offers endless possibilities. Fully cleared and free from any Pinelands or wetlands restrictions, this pristine property is a blank canvas, perfect for a variety of uses. Whether you're an investor looking for a prime development opportunity, a developer or builder ready to create a new community, or a family envisioning a shared space with separate lots, this land has the potential to bring your vision to life. The property's size and layout also make it an ideal location for commercial businesses. With its clear and ready-to-go status, this land is prepared for your next big project. Dont miss this rare opportunity to acquire a versatile and valuable piece of real estate. Previously known as Block 51 and 52 and is now combined into one deed and identified as Lot 52.
