Overview

Discover a one-of-a-kind retreat at this charming converted camper cabin, nestled on just under an acre of land with breathtaking views of Pike Lake. Perfect for those seeking a unique getaway or a cozy year-round residence, this property offers the perfect blend of rustic charm and natural beauty. The cabin itself, originally a vintage camper, has been thoughtfully converted into a comfortable living space. The floor plan maximizes every square inch, featuring a cozy sleeping area, a small kitchenette, and a seating area that invites relaxation after a day on the lake. Head outside, and you'll find the land surrounding the cabin is a true nature lover's paradise. The property is just steps away from the sparkling waters of Pike Lake, where you can enjoy fishing, kayaking, or simply soaking in the serene views. The property comes with a shared septic system with the neighboring lot, ensuring modern convenience in this rustic setting. Additionally, the cabin is equipped with an outhouse, adding to its off-grid charm. This unique cabin is ideal for those looking to escape the hustle and bustle, offering a tranquil lifestyle with the beauty of Pike Lake right at your doorstep. Don't miss out on the chance to own this little slice of paradise!
